

Roy Walkenhorst Bio

Roy Walkenhorst produces and hosts the public television series *Healing Quest* with his wife and partner Judy Brooks.

The weekly half-hour series on natural health and integrative medicine is now in its 13th season on PBS stations across the country and has been licensed internationally to broadcasters in Europe, Australia, Latin America and South Africa.

Roy also serves as CEO of Lightbridge Media LLC which he and Judy founded in 1998. At Lightbridge Roy and Judy have produced three prime-time pledge specials for PBS stations along with numerous other series for cable and home video including *Cowboy Country*, *Amazing Wonders of the World*, *Snapshots*, and *Earth Journeys With Christopher Reeve*.

Before Lightbridge Roy founded and served as president of News Travel Network which became the world's largest producer of timely, consumer-oriented travel programming.

He began his broadcast career at NBC affiliate KCRA-TV in Sacramento where he produced documentaries and anchored and produced daily newscasts.
